Graph It Forward...Today!

Making a Calculated Improvement in Student Achievement

Dear Student:

Graph It Forward Today (GIFT) wants to help you excel in all areas of math and science. A graphing calculator is essential to score to the best of your ability on college admission tests such as the SAT or ACT.

If you are a student who cannot afford to purchase this important tool, and you are college-bound, GIFT wants to put one in your hands! We will send you a graphing calculator, yours to keep!

To receive this donated gift complete the application below.
